USE OF THESES

This copy is supplied for purposes of private study and research only. Passages from the thesis may not be copied or closely paraphrased without the written consent of the author.
To the Registrar

Availability of Thesis

I understand that the University's regulations provide, inter alia, that theses accepted for degrees of The Australian National University may, for a period of five years after being deposited in the Library, be consulted by persons other than staff and students of the University only with the written consent of the author.

I am prepared )  to waive this rule and to allow my thesis to be consulted by other persons at the discretion of the Librarian.

I also understand that any person (whether a member of the University or not) consulting my thesis will be required to undertake that he will not publish quotations from or substantive information not otherwise available from the thesis without the consent of -

Miss N. Moffatt, Women's College, Cambell Avenue, Newnham, N.S.W.

or Prof. E. B. Johnson, Dept. of Classics, ANU

(I insert here the names of the author and/or, in appropriate circumstances, of the University Department or Committee with responsibilities in relation to confidential sources which have been used in the preparation of the thesis).
