Internship and the development of professionalism

Professor Paul Maharg
Glasgow Graduate School of Law
Transforming Legal Education: four key themes

Experience of...
- law in the world
- interdisciplinary trading zones
- creative, purposeful acts

Ethics in...
- an integrated curriculum
- habitual action
- reclamation of moral spaces in the curriculum

Technology for...
- our discipline, our curricula
- learner-centred control
- transactional learning

Collaboration between...
- students
- institutions
- academic & professional learning
- open-access cultures
interactive Powerpoint session...

INTERNSHIP ... PROFESSIONALISM ...
HOW SHOULD THESE BEST BE INTEGRATED?
