This is the tracing referred to in my letter to Mr. Gibson  
of the 21<sup>st</sup> September 1880. The portions of land included by the  
blue lines are those which have not been swept from the  
speculation of the provision for compensation for damage to  
surface contained in the lease of the A.A.C. dated 25<sup>th</sup>  
May 1876. — Edward C. Merewether
