

# ON <sup>& OFF</sup> CAMPUS

## Semester 2 Orientation Week is just around the corner

Student Central is here to help any student who needs some support understanding ANU or managing their degree.

Contact Student Central virtually: send them an email, or chat with them via their Zoom Virtual Drop-in Service. There are also other virtual services and resources available, including the Student Central Wattle page and the upcoming Student Central Chat Bot.

### In other news

Join **Julia Gillard**, Australia's first female Prime Minister and **Dame Quentin Bryce**, former Governor-General of Australia for a conversation about Julia's new book, co-authored with Dr Ngozi Okonjo-Iweala, ***Women and Leadership***.

ANU is pleased to be bringing a small cohort of continuing international students safely back to Canberra. This nation-leading pilot program, with UC and the ACT Government, is the result of hard work and careful planning between the three organisations and will pave the way for more international students to begin returning in future.

### A passion for teaching

What drives a teacher's passion? The ANU Centre for Learning and Teaching spoke to William Maish from the ANU Medical School about his teaching philosophy.

» [Watch the video](#)

**Geoff Rozenberg** and **Keith Howard** have been in charge of two of the **ITS** teams responsible for ensuring ANU continues to operate during the three separate incidents of 2020.

With **COVID-19** the underlying theme for this year's **ANU Crawford Leadership Forum**, check out what the experts have said on topics relating to Asia and Pacific relations, climate change and what a post-COVID world might look like.

Congratulations to **Distinguished Professor Genevieve Bell** and **Professor Elanor Huntington** who have been selected for an international taskforce to build an ethical framework around AI.

Do you manage events as part of your role at the University? ANU has updated its information about the process of event planning, from registrations to inviting speakers, event introductions, recording the event, using copyright material and more.
