## 27th European Photovoltaic Solar Energy Conference and Exhibition (27th EU PVSEC), 24-28 September 2012

The EU PVSEC is the largest international Conference for Photovoltaic Research and Technologies, Industries and Applications, and at the same time a leading international PV Industry Exhibition. It gathers the global PV community to conduct business, to network and to present and discuss the latest developments and innovations in Photovoltaics.

Mo, 24.09.2012 bis Fr, 28.09.2012

Frankfurt a.M.

Conference: 24 - 28 September 2012, Exhibition: 25 - 28 September 2012

Event description: This global event uniquely combines scientific, technological industrial and market issues from the perspective of research and development, industry, finance and politics. It is considered to be the world's leading science-to-science, business-to-business and science-to-industry platform for the global PV solar sector.

The Technical Programme is coordinated by the European Commission, DG Joint Research Centre.

Organiser: WIP

Sylvensteinstr. 2

81369 München

Germany
