AUSTRALIAN DEMOGRAPHIC REVIEW NO. 137 : OVERSEA ARRIVALS AND DEPARTURES

DECEMBER, 1961 (PRELIMINARY)

This is the first of a series which will present monthly figures of overseas arrivals and departures, in brief detail, as soon as they become available. The figures for the latest month available, i.e. December, 1961, are obtained from a preliminary count and are subject to revision. In consequence, the figures for the year 1961 also are preliminary and subject to revision. Final figures for the quarter and year ended December, 1961, in greater detail, will be issued shortly.

"Long term and permanent movement" relates to persons other than Australian troops who state they intend to reside for a period of one year or more - in Australia in the case of arrivals, and abroad in the case of departures. "Short term movement" relates to persons who intend residence for shorter periods, together with Australian troops, irrespective of length of intended residence.
