Dear Jenny,

Please see the reply from our staff at TCH. S Goh was not connected with the ANU.

Sincerely,
Katherine

Subject: RE: S Goh

Hi Katherine,

I have checked re: author S Goh. He was a registrar at TCH and was not staff member or an affiliate of the ANU in any way.

Kind regards,

Jodie

Thanks for your help Jodie. The information we need is as follows (paper attached):
I am currently checking publications for your Dept.

Can you please give me more information on S Goh as it appears (according to the byline) he/she can be claimed as an ANU author. See doc attached. If so can I please have:

- Full name:
  * The staff number - A….. or U……

- Faculty/School/Centre:

- Department:

- Status: - ie Student, Research Staff, Undergraduate Student, Staff.

- FOR Code: (code for their topic / area, see: FOR Codes)

This behind the scenes data is needed for a new ANU author and I can modify the entry.
“Elevated Serum PTH Is Independently Associated with Poor Outcomes in Older Patients with Hip Fracture and Vitamin D Inadequacy”

Cheers

Jenny Taylor
