The direct impact of climate change on regional labor productivity

Authors: *Tord Kjellstrom, R Sari Kovats, Simon J Lloyd, Tom Holt, Richard S J Tol*

Archives of environmental & occ.... 01/2009; 64(4):217-27.

...of working populations to estimate the impact of 2 climate scenarios on future labor productivity. In most regions, climate change will decrease labor productivity, under the simple assumption... impact on labor productivity and costs unless preventive measures are implemented. Workers may need...
