Invitation to the combined 48th IEEE Conference on Decision and Control and 28th Chinese Control Conference

[Author Information](#)

[Visa/Hotel](#)

[Registration](#)

The combined 48th IEEE Conference on Decision and Control and 28th Chinese Control Conference will be held Wednesday through Friday, December 16-18, 2009 in Shanghai, China. This will be the third time that CDC has been held outside the United States in the Asia-Pacific region, and it is the first the IEEE Control Systems Society has chosen to hold its flagship conference in China. The CDC/CCC will be held in the Shanghai International Convention Center, one of the signature buildings in the new Pudong District.

[Exhibits & Sponsors](#)

The annual IEEE Conference on Decision and Control (CDC) is internationally recognized as the premier scientific and engineering conference dedicated to the advancement of the theory and practice of systems and control. The CDC brings together an international community of researchers and practitioners to discuss new research results, perspectives on future developments, and innovative applications relevant to decision making, automatic control, and related areas.

[Call for Papers](#)

The combined CDC and CCC is hosted by the IEEE Control Systems Society (CSS) in collaboration with the Technical Committee on Control Theory (TCCT) of the Chinese Automation Association (CAA). It is organized in cooperation with the Society for Industrial and Applied Mathematics (SIAM), the Institute for Operations Research and the Management Sciences (INFORMS), the Japanese Society for Instrument and Control Engineers (SICE), and the European Union Control Association (EUCA).

The 2009 CDC/CCC will be held in the Shanghai International Convention Center - seen here at the left in front of the Oriental Pearl radio/television tower.

On behalf of our conference sponsors and the rest of the conference organizing committee, the general chairs Lei Guo and John Baillieul hope that you will plan to join us in China.

2009 CDC/CCC Submission and Registration Policies

- All papers submitted to the 2009 CDC/CCC, whether for review or publication upon acceptance, must be written in English and formatted in the standard 2-column format provided on [PaperPlaza](#)
- For the purpose of "review", all regular and invited papers are limited to eight (8) pages. PaperPlaza will not permit longer papers to be uploaded. The decision regarding the acceptance of each paper is at the discretion of the conference's Technical Program Committee.
- For "publication" in the conference proceedings, all accepted and invited papers are limited to six (6) pages. Authors may upload longer manuscript up to a maximum of eight (8) pages total. However, each page in excess of six will incur a charge of USD 175.
- If the paper is accepted, at least one of the authors listed on the paper must attend the conference and present the paper according to the scheduling decided by the conference's Technical Program Committee.
- In the event that the presenter is unable to attend the conference for any reason, it is his responsibility to insure that the paper is presented by a qualified colleague.
- At least one of the authors listed on the paper must register for the combined 48th CDC 28th CCC at full member/non-member rate to upload the final manuscript.
- **Please note:** If an author registers at reduced registration rate (student/retiree), s/he will not be able to use that registration to upload the final paper.

Initial submissions begin	Jan. 2, 2009
Invited session proposals close	Mar. 6, 2009
All paper submissions close	Mar. 6, 2009
Acceptance notification	July, 2009
Final submissions begin	Aug. 1, 2009
Registration open	Aug. 1, 2009
Final submission close	Sept. 9, 2009
