A Survey of Asia in 2011

Mongolia in 2011

Resources Bring Friends and Wealth

Formats Available in JSTOR: Article PDF

Abstract

Mongolia has been successfully developing its external relations and mining sectors for some years, but 2011 marked a new stage in its success in these areas. The mining boom pushed economic growth to a new level; Mongolia is now one of the fastest-growing economies in the world.

Keywords: mining, economy, diplomacy, election law, nuclear energy
