To all the authors in the liquor licensing book

The last approval has been received and I am pleased to be able to let you know the publishing arrangements for the liquor licensing book. The book is being published by FARE in collaboration with The University of Melbourne School of Population and Global Health. The citation for the book is as below (when using the book reference style). Please pass on this email to your co-authors.

Thanks again, and looking forward to seeing at least some of you at the book launch in Melbourne on 19 August.
