

COMMONWEALTH BUREAU OF CENSUS AND STATISTICS.

Production Summary No. 59.
MEN'S AND BOY'S CLOTHING
South Australia, 1948

For your information I append the following table which is intended to indicate production in your industry.

These figures are compiled from returns received from factories whose annual returns for 1947-48 were classified as "Tailoring or Ready Made Clothing Establishments" and which had an average employment of over 20 hands in that year. They do not represent total production of these garments, and are published for the confidential use of informants only.
