REGISTRATIONS OF NEW MOTOR VEHICLES : MAKE OF VEHICLE : AUSTRALIA
APRIL 1971

PRELIMINARY STATEMENT

Reference No. 14.8

This preliminary statement of registrations of new motor vehicles during April 1971 is supplementary to that issued on 26 May 1971 (Reference No. 14.6) and will be followed by the monthly bulletin of motor vehicle registrations (Reference No. 14.2) which will give information in more detail.

2. In these statistics, "registrations" mean registrations processed by the motor vehicle registration authorities in the States and Territories during the period. Occasionally, in some States, registrations of new motor vehicles are not recorded in the statistics until some time after registration.
3. In all States, "capital city" registrations refer to vehicles whose owners' addresses are located within the capital city statistical division as defined for 1966 population census purposes.
4. The figures include diplomatic and consular vehicles and all Commonwealth-owned new vehicles other than those belonging to the defence services. All figures are classified according to information as recorded on registration documents.
