REGISTRATIONS OF NEW MOTOR VEHICLES : AUGUST, 1958

Statistics of registrations of new motor vehicles during each month from July, 1957 to August, 1958, are shown in summary form below. All new motor vehicles (excluding motor cycles) registered in each State and Territory during the month have been grouped together in Table (i). Motor cycles are shown separately in Table (ii). All Commonwealth Government owned vehicles are included except those belonging to the Defence Services. Particulars in this statement and in the Monthly Bulletin of Registrations of New Motor Vehicles differ from those contained in the Monthly Review of Business Statistics and other publications issued by this Bureau.

"Registered during the month" means "passed through the Central Registration Authority of respective States during the month". At times, in some States, new registrations effected in Branch offices are not "passed" into the statistics until some weeks or months after actual registration.

On page 2, registrations of new motor vehicles, classified according to make, are shown for August, 1958 only, separate particulars being presented for (i) Motor Cars, (ii) Station Wagons, (iii) Other Motor Vehicles (i.e., motor vehicles other than cars, station wagons and motor cycles) and (iv) Motor Cycles.

This abbreviated statement will be followed by the usual Monthly Bulletin which gives information in greater detail.
