* Prior to the 1st April, 1908, all passengers on board overseas vessels were, at the first port of call, counted as "arrivals," and all abandoned on the date mentioned and a new method substituted in its stead, under which only passengers who land at an Australian port method unduly augmented Australian migration figures, by the inclusion of through passengers who did not join or leave vessels as departures. † Recorded Departures only. It is considered that the Recorded Departures are understated to the extent of 14½ %
