REGISTRATIONS OF NEW MOTOR VEHICLES, AUSTRALIA : SEPTEMBER, 1964
PRELIMINARY STATEMENT

This preliminary statement of registrations of new motor vehicles will be followed by a supplementary statement showing registrations according to make of vehicle and at a later date by the monthly bulletin which gives information in greater detail. All government-owned vehicles are included except those belonging to the Defence Services.

Registered during the month means passed through the Central Registration Authority in respective States during the month. Occasionally, in some States, new registrations effected in Branch offices are not "passed" into the statistics until some time after actual registration.
