REGISTRATIONS OF NEW MOTOR VEHICLES - MAKE OF VEHICLE : AUSTRALIA

MARCH 1968

PRELIMINARY STATEMENT

This preliminary statement of registrations of new motor vehicles during March 1968 is supplementary to that issued on 19 April 1968 and will be followed by the monthly bulletin of motor vehicle registrations which will give information in still greater detail.

2. In these statistics, "registrations" means registrations processed by the motor vehicle registration authorities in the States and Territories during the period. Occasionally, in some States, registrations of new motor vehicles are not recorded in the statistics until some time after registration.

3. In all States, "capital city" registrations refer to vehicles whose owners' addresses are located within the capital city statistical division as defined for 1966 population census purposes.

4. The figures include Commonwealth-owned new vehicles other than those belonging to the defence services.
