

A. A. Company's Estate
—HAMILTON—

— Scale 1 chain to an inch —

NOTE. From the intersection of Church and Brown Sts: westerly to the end of Wall at western extremity of Church St: measures 855.2, the deed lengths total 850.0, the chaining giving an excess of 5.2. In determining points C, D, and E, I allowed .62 for each chain in length along Church St. The line C to b is identical with the direction of the brick wall bounding part of the western side of lot 31. Surveyed in July 1905. Pages 108 to 113 Vol. 7 -
