(a) Excluding disputes involving a stoppage of work of less than 10 man-days. Details of the number of disputes and workers involved in disputes which commenced in any year and were still in progress during the following year are included in the figures for both years. Disputes not settled at the end of a month are not counted in the number of disputes for the following month, but all workers involved and working days lost are included.

(b) Persons thrown out of work at the establishments where the stoppage occurred, but who were not themselves parties to the dispute.
