REGISTRATIONS OF NEW MOTOR VEHICLES - MAKE OF VEHICLE : AUSTRALIA
MAY 1969

PRELIMINARY STATEMENT

This preliminary statement of registrations of new motor vehicles during May 1969 is supplementary to that issued on 25 June 1969 and will be followed by the monthly bulletin of motor vehicle registrations which will give information in more detail.

2. In these statistics, "registrations" means registrations processed by the motor vehicle registration authorities in the States and Territories during the period. Occasionally, in some States, registrations of new motor vehicles are not recorded in the statistics until some time after registration.
3. In all States, "capital city" registrations refer to vehicles whose owners' addresses are located within the capital city statistical division as defined for 1966 population census purposes.
4. The figures include Commonwealth-owned new vehicles other than those belonging to the defence services.
