Mr. R. A. Turrill-Wells,
Fulleborn Plantation,
P.M.B.,
RABAU.

Dear Mr. Wells,

I have your undated letter resigning your position with the Company as from 21st June and stating that you would wish to leave Arawe Plantation by 29th June.

The resignation is accepted. The fact that you gave the Company no affective notice of this resignation, and the fact that you left the plantation before any relief arrangements could be made are both considered absolutely unworthy and irresponsible.

The Group Manager at Lama Plantation advised me some time ago that you were absent from the Witu Group between 6th and 27th November 1972. This situation is recalled in detail, and it is agreed that it was necessary that you should be in Rabaul for a period of 7 days as from 6th November. There was therefore, an unauthorised absence from the plantation for a period of 14 days.

I have accordingly instructed the Accountant at Rabaul to make an appropriate deduction from any monies due to you as of the date of your resignation.

Yours faithfully,

L. A. Bridgland
