 PRODUCTION SUMMARY NO. 3 - PLASTICS AND SYNTHETIC RESINS AND PLASTICISERS

JUNE, 1962.

The information set out below has been compiled from returns of establishments manufacturing plastics and synthetic resins and plasticisers and indicates current production trends. The figures shown are for total production including quantities used in own works for further manufacture. Figures for 1960-61 and later periods are subject to revision.

Period	Plastics and Synthetic Resins												Plasticisers
