REGISTRATIONS OF NEW MOTOR VEHICLES - MAKE OF VEHICLE : AUSTRALIA, AUGUST, 1965PRELIMINARY STATEMENT

This preliminary statement of Registrations of New Motor Vehicles during August, 1965 is supplementary to that issued to 20th September, 1965, and will be followed by the Monthly Bulletin of Registrations of New Motor Vehicles which will give information in still greater detail.

2. In these statistics, "registrations" means registrations recorded by the Motor Vehicle Registration Authorities in the States and Territories during the period. Occasionally, in some States, registrations of new motor vehicles effected in branch offices are not recorded in the statistics until some time after registration. In Western Australia, Extra-metropolitan registrations are incorporated each month in the statistics for the following month.

3. In Western Australia, "metropolitan" means the Metropolitan Traffic Area of Perth; for all other States, it means the Metropolitan Statistical Area as defined for statistical purposes, i.e. the capital cities. All registrations in the Australian Capital Territory are shown as Metropolitan and all registrations in the Northern Territory are shown as Extra-metropolitan.

4. The figures include Commonwealth Government-owned new vehicles other than those belonging to the Defence Services.
