EXPLANATORY NOTES

Introduction

This publication is compiled from returns submitted under the Financial Corporations Act 1974. It presents monthly and quarterly statistics on the financial operations, assets and selected liabilities of corporations registered under this Act. Detailed information on corporations registered under the Act, provision of finance, exemptions under the Act and categories of corporations was published in the July 1982 issue of this publication.

Presentation

2. Tables 1 to 3 continue the monthly series which commenced in July 1976 for registered corporations with assets in Australia exceeding \$5 million and whose activities are other than financing their own retail sales.

3. Tables 4 and 5 continue the monthly series, which commenced in July 1978, of additional information (by State) for building societies registered under the Financial Corporations Act 1974 with assets in Australia exceeding \$5 million.

4. Tables 6 and 7 continue the quarterly series which commenced in September 1976 for registered corporations (other than retailers) with assets in Australia not exceeding \$5 million.

5. Table 8 continues the quarterly series which commenced in September 1977 for retailers registered under the Financial Corporations Act 1974.

Comparability

6. Due to differences in size and/or coverage criteria, classification criteria and definitions of data items, the statistics in this publication are not directly comparable with any statistics published by the Australian Bureau of Statistics for similar or identical categories.

Interpretation

7. While the statistics are described as being for a statistical period (month or quarter) it should be noted that some corporations have accounting periods which do not correspond exactly to the statistical period and their figures are used without adjustment.

8. This publication incorporates revisions made to previous statistics in this series.

Related publications

9. Current publications produced by the ABS are listed in the Catalogue of Publications, Australia (1101.0). The ABS also issues, on Tuesdays and Fridays, a Publications Advice (1105.0) which lists publications to be released

in the next few days. The Catalogue and Publications Advice are available from any ABS office.

10. Where figures have been rounded, discrepancies may occur between sums of the component items and totals.

Symbols and other usages

- nil or rounded to zero
n.a. not available
n.p. not available for publication but included in totals where applicable, unless otherwise indicated
