REGISTRATIONS OF NEW MOTOR VEHICLES, AUSTRALIA : JULY, 1966  
PRELIMINARY STATEMENT

This preliminary statement of registrations of new motor vehicles will be followed by a supplementary statement showing registrations according to make of vehicle and at a later date by the monthly Bulletin, which will give information in greater detail. All Commonwealth-owned vehicles are included other than those belonging to the defence services.

In these statistics, "registrations" means registrations processed by the motor vehicle registration authorities in the States and Territories during the period. Occasionally, in some States, registrations of new motor vehicles are not recorded in the statistics until some time after registration.
