

Thursday 21 May 2009

I certify that I carried out the research leading to the following publication whilst I was a member of staff at the Australian National University.

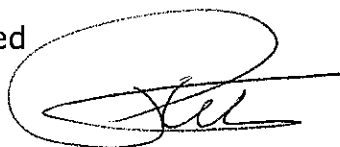

Publication Title: Investigating the effect of detection and classification range and aircraft dynamics on a simplified maritime surveillance scenario (journal article)

In: ANZIAM Journal

Publication Title: Agent coordination with regret clearing (conference paper)

In: 23rd AAAI Conference on Artificial Intelligence (AAAI-08)

Signed

Phil Kilby
