

COMMONWEALTH BUREAU OF CENSUS AND STATISTICS, CANBERRA, AUSTRALIA
MINIMUM RATES OF PAY AND PRESCRIBED HOURS OF WORK
ADULT MALES AND ADULT FEMALES - STATE CAPITAL CITIES - 31 DECEMBER 1970

The rates of pay and hours of work in the tables below have been taken from awards, determinations and agreements of industrial tribunals and in some cases from unregistered agreements operative at 31 December 1970. The occupations shown are those appearing in the Appendix of the annual Labour Report (see Labour Report No. 54, 1968 and 1969 pages 307 to 311). The occupations shown are broadly representative of the occupations in the various industries in each State but they are not necessarily included in the Wage Rates Indexes. Rates shown are generally those payable in the capital cities and this has been indicated by showing the names of the capital cities at the head of the columns. Where rates other than those for capital cities have been quoted, column headings have been changed to show the names of the several States.

For some occupations more than one wage rate is quoted, indicating that there are different classes or grades of work or that different rates are payable according to locality. Where only two rates are specified, they are shown in the form "\$49.80 & \$49.80". In other cases the rates are shown in the form "\$46.90 - \$48.70", indicating that, in addition to the two rates specified, certain intermediate rates are also prescribed. The rates of pay quoted may be subject to revision due to retrospective adjustments to awards, etc.

The weekly rates shown are generally those prescribed in awards, etc. for a full week's work (excluding overtime). Where it is not possible to quote such rates, hourly, daily or monthly rates are shown. Relevant weekly rates of prescribed minimum wage for adult males are used where applicable. For most occupations the hours constituting a full week's work (excluding overtime) are 40; where the weekly hours prescribed differ from 40 they are shown in footnotes to the tables.

The wage rates and hours of work shown in these tables have been compiled for statistical purposes only, and any inquiries regarding specific rates prescribed for particular occupations should be addressed to the appropriate industrial tribunal.
