## EXPLANATORY NOTES

Details of road traffic accidents involving casualties relate to accidents which were reported to the police and which satisfy the following conditions -

- (a) That the accident occurred on any road, street, thoroughfare, etc., open to the public, including railway level crossing;
- (b) That it involved any road vehicle, i.e. motor car, tram, handbarrow, etc., (or other road user, such as an animal), which at the time of the accident was in motion;
- (c) That the accident resulted in -
  - (i) the death of any person within a period of 30 days of the accident; or
  - (ii) bodily injury to any person to an extent requiring surgical or medical treatment.

2. The statistics in this bulletin are compiled from accident reports which are prepared by police officers in the various States and Territories.

3. Australian totals of the number of accidents which involved vehicle damage only are not available as these details are not compiled in all States.

4. Details of road traffic accidents, classified according to "Type of road user responsible" and "Cause of accident", are not included in this bulletin. Investigations have shown that, because of the subjective nature of classification of accidents according to "responsibility" and "cause", it has not been possible to collect and classify statistics on the same basis for all States.

5. Since January 1970 monthly statements of road accident fatalities in each State and Territory have been issued by this Bureau. Since the December quarter 1969, the Bureau has also issued quarterly statements showing preliminary details of road traffic accidents involving casualties which occurred in each State and Territory of Australia. Quarterly statements of road traffic accidents are also issued for the States of Victoria, Queensland, South Australia, Western Australia and Tasmania by the respective Deputy Commonwealth Statisticians, for the Northern Territory by this Office, and for the Australian Capital Territory by the Department of the Capital Territory, Canberra. Particulars of road traffic accidents classified according to "Type of road user responsible" and "Cause of accident" are shown only in statements for South Australia and Tasmania. Separate publications relating to road traffic accidents are not published by the Deputy Commonwealth Statistician in New South Wales, but selected quarterly figures for this State are published in the New South Wales Statistical Bulletin. In addition, in New South Wales the Commissioner of Motor Transport publishes for the twelve months ended June and December of each year an annual statement entitled "Statistical Statement of Road Accidents in New South Wales", and in South Australia the Road Traffic Board publishes an annual bulletin "Road Traffic Accidents".
