

INQUIRIES

If you want to know more about these statistics ring Mr Valdis Juskevics on Canberra 526066 or our State office or write to Information Services, Australian Bureau of Statistics, P.O. Box 10, Belconnen, A.C.T. 2616.

ROAD TRAFFIC ACCIDENTS INVOLVING FATALITIES
APRIL 1977

This statement (formerly known as *Road Accident Fatalities*) contains preliminary monthly details of the number of road fatalities and fatal road accidents that occurred in each State and Territory during the month of April 1977, together with comparable figures for some earlier periods. These details have been supplied by the police authorities. Figures for April 1977, and possibly for earlier months, may be revised in future issues of this statement as additional information is received, including advices for persons not previously reported as fatalities but who die within 30 days of the date of the accident from injuries received.

2. Table 1 includes seasonally adjusted figures for road accident fatalities in Australia. In the seasonal adjustment, account has been taken of normal seasonal factors, intra-month variations (arising from the number of Sundays, Mondays, Tuesdays, etc., in the month) and the influence of Easter and Australia Day which may in successive years, affect figures for different months. Because of the irregular nature of the data, caution should be exercised in interpreting month to month movements. Details of the methods used in seasonally adjusting this and other series are given in *Seasonally Adjusted Indicators, 1976* (Reference No. 1.10).

3. Users may also wish to refer to the following road traffic accident publications which are available on request:

Road Traffic Accidents Involving Casualties (Preliminary) (Reference No. 14.14)(q)

Road Traffic Accidents Involving Casualties (Reference No. 14.9)(q)

All publications produced by the ABS are listed in *Publications of the Australian Bureau of Statistics* (Reference No. 1.8) which is available free of charge from any ABS office.
