Subject: Publication confirmation

Dear Josh,

I received a note (as below) for publication team for your publication “Measurement and calculation of absolute single- and double-charge-exchange cross sections for O_{6+} ions at 1.17 and 2.33 keV/u impacting He and H_2 ”

The note is “Please, confirm if J. R. Machacek worked on this publication as ANU member; if so, please provide an ANU affiliation statement from the author”

Could you please kindly confirm? Your affiliation in this publication was “Atomic and Molecular Physics Group, Jet Propulsion Laboratory, Caltech, Pasadena, California 91109, USA”.

Please kindly advise,

Thank you

Kind regards

Uyen
