

AUSTRALIAN PRODUCTION STATISTICS
PRODUCTION SUMMARY No. 35 : MATTRESSES

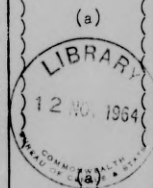

AUGUST, 1964

This summary contains final 1962-63 figures derived from the Annual Factory Census. It should be noted that, in some cases, returns are accepted from factories for a year other than the normal financial year ending on 30th June. In such cases the sum of the final monthly figures will not agree with the annual figure. The figures for 1963/4 and later periods are subject to revision.
