Simone de Beauvoir : *Les belles images*

Essays

Your essays are now read and marked.
They can be collected from me in my room.

Come preferably between 7.30 a.m. and 6 p.m.
If you come at lunch-time, I may not want to see you.

Do not come when you have only two minutes to spare.
You may have to spend some time with me.
You may have to wait.
