

COMMONWEALTH BUREAU OF CENSUS AND STATISTICS.

Production Summary No. 59.MEN'S AND BOYS' CLOTHINGAPRIL, 1950.

The information set out below has been compiled from returns received from factories whose annual returns for 1947-48 were classified as "Tailoring or Ready Made Clothing Establishments" and which had an average employment of over 20 hands in that year. For this reason, the figures shown do not represent total production of these garments, and should be read having regard to the qualification as to the size of the establishments from which returns are received.

These figures are subject to revision.
