EXPLANATORY NOTES

Introduction

This publication presents monthly and quarterly statistics on the financial operations, assets and selected liabilities of corporations registered under the *Financial Corporations Act 1974*. Detailed information on corporations registered under the Act, provision of finance, exemptions under the Act and categories of corporations was published in the July 1980 issue of this publication.

Presentation

2. Tables 1 to 3 continue the monthly series which commenced in July 1976 for registered corporations with assets in Australia exceeding \$5 million and whose activities are other than financing their own retail sales.

3. Tables 4 and 5 continue the monthly series, which commenced in July 1978, of additional information (by State) for building societies registered under the *Financial Corporations Act 1974* with assets in Australia exceeding \$5 million.

4. Tables 6 and 7 continue the quarterly series which commenced in September 1976 for registered corporations with assets in Australia exceeding \$1 million but not exceeding \$5 million.

5. Table 8 continues the quarterly series which commenced in September 1977 for retailers registered under the *Financial Corporations Act 1974*.

Comparability

6. Due to differences in size and/or coverage criteria, classification criteria and definitions of data items, the statistics in this publication are not directly comparable with any statistics published by the Australian Bureau of Statistics for similar or identical categories.

Interpretation

7. While the statistics are described as being for a statistical period (month or quarter) it should be noted that some corporations have accounting periods which do not correspond exactly to the statistical period and their figures are used without adjustment.

8. This publication incorporates revisions made to previous statistics in this series.
