REGISTRATIONS OF NEW MOTOR VEHICLES - MAKE OF VEHICLE : AUSTRALIA,JUNE 1967PRELIMINARY STATEMENT

This preliminary statement of registrations of new motor vehicles during June 1967 is supplementary to that issued on 17 July 1967 and will be followed by the monthly bulletin of motor vehicle registrations which will give information in still greater detail.

2. In these statistics, "registrations" means registrations processed by the motor vehicle registration authorities in the States and Territories during the period. Occasionally, in some States, registrations of new motor vehicles are not recorded in the statistics until some time after registration. In Western Australia, registrations in areas other than the Perth Statistical Division are incorporated each month in the statistics for the following month.
3. Commencing with January 1967, registrations have been classified to either "capital city" or "other". In all States "capital city" registrations refer to vehicles whose owners' addresses are located within the capital city statistical division as defined for 1966 population census purposes.
4. The figures include Commonwealth-owned new vehicles other than those belonging to the defence services.
