DEFINITIONS AND EXPLANATORY NOTES

This Bulletin contains an analysis of registrations of new motor vehicles for the month of January, 1962.

"Registrations" as referred to in this Bulletin means registrations passed through the Central Registration Authority of respective States during the month. Occasionally, in some States, registrations of new motor vehicles effected in Branch offices are not "passed" into the statistics until some time after actual registration. In Western Australia, each month extra-metropolitan registrations are incorporated in the tabulations for the month following.

Metropolitan registrations are shown separately. Metropolitan refers in the States, to capital cities only, and in the Australian Capital Territory, to all registrations. All Northern Territory registrations are shown as extra-metropolitan. For all States other than Western Australia "metropolitan" means the Metropolitan Statistical Area as defined for statistical purposes; in Western Australia it means the Metropolitan Traffic Area.

Vehicles owned by the Commonwealth Government are included, except those belonging to the Defence Services. For all new motor vehicles (excluding motor cycles), the analysis relates to make, horsepower and type of vehicle registered. Motor cycles are shown according to make of vehicle. Motor cars are classified according to whether they are (1) sedans or (2) tourers, sports cars, convertibles, etc. All other vehicles are classified as listed on page 3. Diesel-powered vehicles are shown separately from petrol-driven vehicles.

All figures for horsepower shown in this Bulletin are in terms of R.A.C. rating. Whole numbers only have been shown. For example, an R.A.C. rating of 17.9 h.p. is recorded in this Bulletin as 17 h.p.

Monthly statistics are available as from July, 1951 and have been compiled in collaboration with Deputy Commonwealth Statisticians from data made available by the Road Transport Authority in each State. Particulars for motor cycles are not available for periods prior to January, 1953.
