**To:** Elspeth Davies <elspeth.davies@anu.edu.au>

I certify this. /

(I'm overseas and have trouble doing this in any other way than via email, I hope it is ok)

/Lars

Dear Lars,

I'm finalising the 2008 HERDC publications data capture and I noticed your name on the following conference paper indicates you as being with NICTA.

Could you please confirm whether you carried out the research for this conference paper as a member of the Department of Information Engineering staff, by signing the statement.

With thanks,  
Elspeth
