

AUSTRALIAN PRODUCTION STATISTICS

PRODUCTION SUMMARY NO. 10 : MOTOR BODIES, TRAILED VEHICLES, LIFT-ON FREIGHT CONTAINERS, ETC.

NOVEMBER 1967

Statistics of Motor Bodies are compiled from returns collected from specialist body building works and represent production of bodies for partly finished motor vehicles reported by motor vehicle manufacturers. Bodies produced by motor vehicle manufacturers for use in their own plants are excluded. Bodies intended for export, sold for repair work and conversions or any work done on old vehicles are also excluded.

The figures for 1964-65 and 1965-66 are those recorded in the Annual Factory Census. All subsequent figures are derived from the recorded monthly production and are subject to revision.
