The microfiche originally issued as Table 5 of the above publication contain a number of errors. Tables 1 to 4 are not affected.

In Table 5, each country having the statistical item 989.99.99 "Combined confidential items" has an incorrect figure in the statistical item 988.88.88 "Miscellaneous items of trade nei". The value for item 989.99.99 was incorrectly added in with item 988.88.88. Country totals were shown correctly.

As well, the country heading for the Union of Soviet Socialist Republics was omitted from pages 683 and 684 of the Table 5 microfiche and included incorrectly on pages 609-617 of the same microfiche as part of the heading for "United Arab Emirates".

The microfiche for Table 5 have been amended and are now re-issued.

Please ensure that the original microfiche for Table 5 are destroyed and replaced with the enclosed.

IAN CASTLES
Australian Statistician
