MAIN FEATURES

New lending commitments during August 1988 totalled \$903.2 million, marginally down on July 1988.

Unsecured borrowings and withdrawable share capital increased by \$210.9 million in August 1988 to \$17,902.5 million.

NOTE: Period to period comparisons of the statistics contained in this publication are affected by changes in the survey population (see paragraph 3 of the Explanatory Notes).

12 September 1987 — the Canberra Permanent Co-operative Building Society took over the engagements of P.A. Credit Union Co-operative Ltd.

1 July 1988 — The Metropolitan Permanent Building Society commenced operations as the Metway Bank Limited.

Particular care should therefore be taken in interpreting individual month-to-month movements.

Data items

4. Data items are reported in accordance with the directions contained in the Schedule to the Financial Corporations (Statistics) Regulations. Unless otherwise specified in the directions, building societies have been requested to value their assets and liabilities on the basis used in their latest audited accounts.

Statistical period

5. While the statistics are described as being for a statistical period (month/quarter) some building societies have accounting periods which do not correspond exactly to the statistical period and their figures are used without adjustment.

Comparability

6. Statistics in this publication are not directly comparable with statistics for building societies presented in the publications *Housing Finance for Owner Occupation, Australia* (5609.0) and *Permanent Building Societies, Assets, Liabilities, Income and Expenditure, Australia* (5632.0) due to differences in coverage of the collections.

Revisions

7. Revisions to previously published statistics are included in issues of this publication as they occur.

Related publications

8. Users may wish to refer to the following publications which are available on request:

Authorised Dealers and Money Market Corporations, Australia (5638.0) — issued monthly.

EXPLANATORY NOTES

Introduction

1. This publication has been compiled from summary data provided by the Reserve Bank of Australia. The summary data are derived from statements furnished to the Reserve Bank by corporations registered under the *Financial Corporations Act 1974*. The publication presents statistics on the financial operations, assets and selected liabilities of those corporations registered under the Act which are categorised as building societies. Interest rate information previously included in this publication is no longer available. However a statistical series of interest rates for building societies is published in the Reserve Bank of Australia's monthly 'Bulletin'.

2. Details of the scope and coverage of these statistics are provided in the July 1988 issue of this publication.

3. The population for building societies may vary from month to month due to:

- registration of new corporations;
- change in category; and
- deletion of corporations no longer registrable.

Population changes affecting this publication are:

1 September 1987 — the Tasmanian Permanent Building Society merged with the Launceston Bank to form the Tasmanian Bank.

Credit Co-operatives, General Financiers and Other Financial Corporations, Australia (5640.0) — issued monthly.

9. Current publications produced by the ABS are listed in the *Catalogue of Publications, Australia (1101.0)*. The ABS also issues, on Tuesdays and Fridays, a *Publications Advice (1105.0)* which lists publications to be released in the next few days. The *Catalogue and Publications Advice* are available from any ABS office.

Symbols and other usages

— nil, or rounded to zero

10. Where figures have been rounded, discrepancies may occur between sums of the component items and totals.
