EXPLANATORY NOTES

Introduction

This publication presents statistics of lease finance commitments made by significant lenders to private and public enterprises (financial and trading enterprises, non-profit organisations, individuals, government and public authorities). For detailed information on the scope and coverage of these statistics and definitions of data items refer to the July 1986 issue of this publication.

Statistical period

2. While the statistics are described as being for calendar months, it should be noted that:

- in the case of *trading banks*, the data relate to a month ending on the last Wednesday; and
- in the case of *other lenders*, some have accounting periods which do not correspond exactly to a calendar month and their figures are used without adjustment.

Unpublished data

3. More detailed classifications of the data in this publication may be made available on request. Generally a charge is made for providing this information. Inquiries should be made to the officer identified above for phone inquiries or by writing to Private Finance Section, ABS, PO Box 10, Belconnen, ACT 2616.
