BROKERS AND DEALERS RECEIVALS OF TAXABLE WOOL
MARCH 1977

This bulletin contains details of the amount of taxable wool received by brokers and dealers from wool producers. It excludes wool received by brokers on which tax has already been paid by other dealers (private buyers) or brokers.

The information shown below is on the basis of the State in which the wool has actually been received and does not necessarily reflect the production of wool in that State.

Detailed statistics relating to sheep and lambs shorn, wool production and average fleece weights are

published in the following publications: *Wool Statistics* (Reference No. 10.38), *Sheep Numbers, Shearing and Wool Production, Forecast* (Reference No. 10.56) and *Wool Production and Shearing, Provisional Estimates* (Reference No. 10.69).

All publications produced by the ABS are listed in *Publications of the Australian Bureau of Statistics* (Reference No. 1.8).

NOTE. Any discrepancies between totals and sums of components in tables are due to rounding.
