MONTHLY PRODUCTION SUMMARIES

PLEASE NOTE :

In recent months the extent of the information shown in the Monthly Production Summaries has been reviewed.

Future issues will follow the format used in the Summary enclosed. Each Summary will show figures for each month of the current financial year available to date, together with cumulative totals for the current and previous year, and annual totals for the last three years.

A recent Summary has shown figures for each month of the year 1961-62 and another for each month of the year 1962-63.

By using these Summaries and the latest Summary of the current year, comparisons may be made for recent months with corresponding months for each of the two preceding years.
