Also, a sentence should be added to the end of paragraph 4 in explanatory note 11 — Small area data on floppy disk on page 5. The paragraph should read:

'For customised collection district (CD) data there is a basic charge of \$110 and additional charge of \$1 for the data for each CD (e.g. a disk containing data for 35 CDs would cost \$145). A discount on the \$1 charge per CD may be applicable if only a portion of the data for each CD is required. A further discount is applicable for large numbers of CDs.'
