

LET'S PARTY!

**PREPARED
TO PARTY.**

Sex happens at party time.

Positive or negative, plan for safe sex.

Stick to your plans, regardless of the place or your headspace.

Don't assume his HIV status - because of how he looks or what he's prepared to do.

Tell him what you want and be prepared to have fun.

For more information call the AIDS Council in your State or Territory, or go to: www.afao.org.au/parties
