REMARKS Storehand. Engaged to replace R.A.F. Coleman who has been transferred to Perth Softgoods Section.

Dismissed. Satisfactory to a degree. It was necessary for us to dispense with the services of Starkie because of his continual absence from duty. Starkie was absent on sick leave for a fortnight. He returned to work on Monday last, and again absented himself on Tuesday and Wednesday without advising us. He was seen walking around the town, and if he was fit enough for this we feel that he could be at work. In these days of high wages everyone on the staff must pull his, or her, weight.
