Mr. F. J. O'Connor,  
Builder & Contractor,  
QUEANBEYAN.

Dear Sir,

I am returning herewith your pencil sketch and specification for small cottage, sent at my request, together with a sketch prepared here showing a modification of your own design, which we prefer in view of the fact that there is less waste space.

Kindly submit complete specifications and quote on a cottage built in accordance with the modified layout.

The floors are to be the best quality 4" x 1" Cypress Pine, T. & G., double nailed, punched, puttied, and cleaned off on completion.

Please state whether your price includes plumbing, wiring, fittings, taps and bathroom and laundry fixtures.

Yours faithfully,  
Lake George Mines Limited,

MANAGING DIRECTOR.
